

# SPT1 2018

The Sports Physiotherapy Group of the SASP will be running the SPT1 course next year in Johannesburg.

**DATES:** February to October in 2018.

Completion of this course will require that you pass the portfolio component, as well as the final practical, clinical and theory exams in October.

**COURSE CONTENT:** Five modules, which include both theory and practical components. Successful completion of this course qualifies you to become an Advanced Professional Development Level 2 member of the SPG.

**REQUIREMENTS:** Applicants need to have completed their Community Service year and be working in a Sports/Orthopaedic practice in order to apply the knowledge gained on course.

**TOTAL COST:** R20 500 incl VAT

**REGISTRATION:** Registration is now open and a R4100 non-refundable deposit will be required to secure your place.
